FFVOILE – FRENCH SAILING FEDERATION

MARINEPOOL, OFFICIAL SUPPLIER OF THE FRENCH SAILING TEAM

For more than 10 years, the French Sailing Federation and Marinepool have been working side by side to develop the sport of sailing in France. Marinepool supplies the French Sailing Federation with technical and fashion clothing.

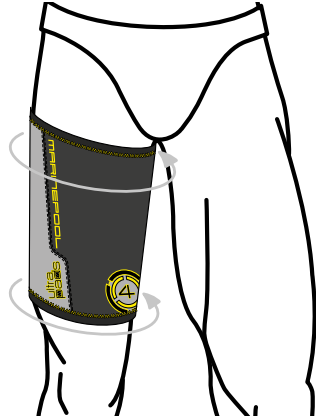

Marinepool is very proud of this partnership and results obtained by the French athletes

in Rio this year. The entire team has done an outstanding work and it has paid off with two medals in RS:X gold for Charline Picon and bronze for Pierre Le Coq, one bronze medal in 470 by duo Camille Lecointre & H el ene Defrance and another beautiful gold medal for Damien Seguin in the Paralympic Games, his second gold medal twelve years after the first one!

After these results, the French Sailing Federation is determined to learn from the experience to bring home even more medals from the next Games.

Marinepool will keep providing the athletes with the best products possible to help them train and compete in ideal conditions

THALASSA MAGENTA RACING

The first all-female GC32 team, Thalassa Magenta Racing in partnership with the Magenta Project, make their debut in the Extreme Sailing Series™ in Lisbon.

The new team will race with six crew members, as opposed to five on the all-male boats, and the Canadian-flagged catamaran will be skippered by New Zealand's Sharon Ferris-Choat.

Thalassa Magenta Racing in partnership with the Magenta Project aims to give female sailors opportunities and pathways to compete at the highest performance levels of the sport. The team's entry into the Lisbon Act is part of a long-term ambition to create an all-female crew capable of being competitive in the Extreme Sailing Series™.

Marinepool is proud to be the official clothing supplier for the first all-female GC32 team and we are looking forward to season 2017!

SAILING CHAMPIONS LEAGUE

After two successful years of the SAILING Champions League and three years of sailing in the league format in Europe the SCL organisers from Konzeptwerft are publishing the "National Sailing League Rule Book", the first manual for National Sailing Leagues and the SAILING Champions League.

The first version has been approved by the Steering Committee and will continuously be improved. In the SAILING Champions

League the most successful sailing clubs compete against each other for a whole season in several events.

The teams with its best sailors of the clubs compete against each other to win the title and the trophy.

The competition between the best and prestigious sailing clubs in the world guarantees a high-class sailing event!

In 2016 the reigning German League Champions of Deutscher Touring Yacht-

Club won the regatta at Yacht Club Costa Smeralda in Sardinia and were awarded with the Robbe & Berking Trophy for the "Best Sailing Club".

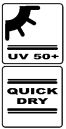

As a cooperation partner, we are looking forward to season 2017 with the SAILING Champions League!
