

L'azzurro del Mare

SPIRIT OF THE OCEAN

Water, wind and sun - sailing is playing with the elements!

The summer collection 2017 "L'azzurro del Mare" was created with these essentials in mind.

It is a tribute to the countless shades of blue the Mediterranean Sea has to offer. We discover the fine line where the sea blends into the blue sky and where sun light is reflected in the water, painting a world full of colour, from azure to emerald to curacao.

The collection is characterised by three colour themes to guide you and by versatile options to combine garments and create your own distinctive look. A variety of modern oversized shapes is matched with skinny long shirts, long blouses and a semi transparent voile fabric – perfect to create a maritime layered individual outfit.

The new styles we designed fit perfectly with smart basics in the Marinepool crew wear collection and can be combined with bottoms in a great variety of classic or flashy colours.

Take a step into the deep blue of the ocean, feel the spirit and breathe the summer feeling. When sailing in azure waters, when light plays with the colours of the sea, when waves are the only sound you can hear, then life melts into pure joy.

The Régates Royales collection of Marinepool stands for the flair of Cannes and is literally demonstrating the maritime lifestyle therefore the collection 2017 is chic, elegant, casual and classic in every way.

Since 1929 the Yacht Club of Cannes organizes every year the Régates Royales

which is one of the most important international events as a part of the Panerai Classic Yacht Challenge on the French Riviera. Crew members coming from many different countries are racing on more than 140 yachts.

Already since 2008, there is a corporation between Marinepool and the

Régates Royales in Cannes, one of the biggest classic yacht races in the world. Marinepool is pleased with the extended partnership and the title as official clothing partner of the Régates Royales de Cannes creating again another special collection this year.
